Beginners Items

HAYNES BEE MANUAL

€30.00

What sets the Haynes Bee Manual apart from other books on this increasingly popular subject is the no-nonsense approach, including step-by-step sequences and instructions, carefully illustrated with specially created diagrams and full colour photography. It includes advice on the honey bee's life cycle, choosing equipment, finding and laying out an apiary, how to make and inspection, handle frames and much more.

BASIC STARTER KIT

€199.00

Consisting of a Beekeeping Suit, Gloves, Smoker, Hive Tool & Brush.

BEEKEEPING SUIT

Suits offer complete protection, comfort and quality. The suit including veil is completely machine washable.

GLOVES

Our gloves have protection to the elbow. There is the option of leather or rubber - many beginners tend to use rubber gloves as their sense of touch is better felt.

SMOKER

Premium quality stainless steel smoker with wire guard and vinyl bellows. Wire guard features hanging hook making it easier to handle without burning yourself.
